Lou Gehrig on the football field

Posted on August 23, 2014 by MM

Picked up an interesting Real Photo Post Card the other day – a scene from the game between Columbia and Cornell on Nov. 4, 1922.

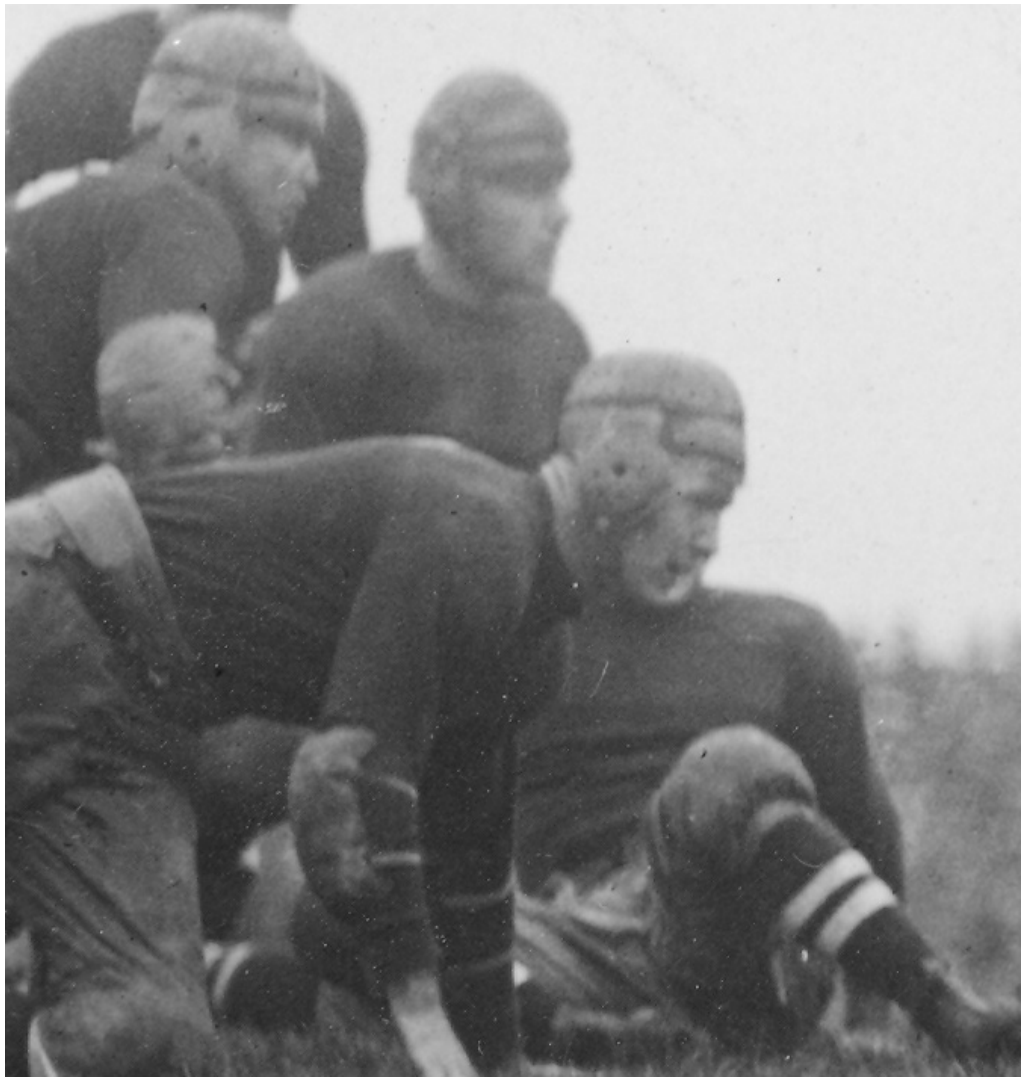

What makes it special is the player in the lower left part of the action – Lou Gehrig.

Compare his profile to this picture from the banquet in honor of Hinkey Haines from 1927.
