PRO GRID NOTES

The Green Bay Packers triumphed over the Chicago Cardinals by the score of 10 to 7. It was a battle royal with numerous injuries and penalties on both sides. A 10,000 crowd was thrilled from the first to the closing whistle.

Art Buss, onetime Chicago Bear lineman, made his first appearance under new colors with Philadelphia. He was in the starting lineup at left tackle.

Last year's eastern championship New York Giants dropped their opener to the Eagles. Victory was clinched by a last-period field goal by Hank Reese. 30,000 fans were present.

Dave Smukler, former Temple university star, made his pro debut with Philadelphia with some outstanding forward passing. His aerial efforts were responsible for drives that led to scores.

Reese had to kick two successive field goals to make it count in the Eagles' win over New York. The first was nullified when Philadelphia was ruled offside.

A fumble paved the way for the Pittsburgh defeat of Boston. Kakasic picked up the ball dropped by Ed Smith on Boston's 25-yard line, and carried it over for the only touchdown of the game.

A crowd of 15,622 saw the Pittsburgh 10 to 0 upset victory over Boston. The game was played under a wilting summer sun. George Kakasic, second stringer, scored nine of the Pirate points.

Verne Lewellen, former Packer backfield star, has been added to the officiating staff of the National Football league. During his gridiron career, Lewellen ranked with Ernie Nevers and Ken Strong when it came to punting the ball.

Paul Schissler, the Brooklyn mentor, is expecting great things from Dick Crayne, a big hustling backfielder who played three years for Iowa in the Big Ten. Crayne saw service with the All Stars in the Detroit Lions' contest.

TODAY'S GAMES

Chicago Bears at Green Bay.
Boston at Philadelphia.

George Halas, coach of the Chicago Bears, evidently believes in 'wholesale' scouting as he had 18 of his huskies at the Card-Packer game in Green Bay last Sunday. What's more, each of the Bears was well armed with pad and pencil.

Bo Molenda, one of the veterans of the National league, is serving as assistant coach of the Giants this fall. The former Michigan fullback knows his Pro game from A to Z. He should be a valuable aide to the Mara-Owens combine.

Gomer Jones has cast his lot with the Chicago Cardinals. Jones first decided to play post-graduate football with Cleveland in the American loop, but when this club passed up its franchise, Jones accepted the Chi-Cards' offer.

Tuffy Leemans should go places with the New York Giants. This slippery, running backfielder, fresh from the college ranks, has all the earmarks of a stellar ball-lugger, and Coach Steve Owens is 'sold' on him already.

President Joe F. Carr is predicting the greatest season in the history of professional football. According to Carr, the 'weak sisters' of other years have been bolstered and it is going to be a free-for-all pennant chase.

Lou Gordon, a stalwart lineman for the Chicago Cardinals for six seasons, played with the Packers last Sunday against his former teammates. Gordon got a bad gash over his eye in the second scrimmage but 'he ain't blaming nobody'.

Red Flaherty will do things with the Boston Redskins. At least that is the opinion around the circuit. The veteran end is a past master in gridiron strategy and he has a way about him that will get the best out of his players.

Potsey Clark, the Detroit Lions' mentor, was among those present at the game in Green Bay last Sunday. The Motor City coach predicted a great race this fall and he added that his Lions would again be very much in the running.

With his shoulder taped after dislocating it, Dave Cook of the Chicago Cards went back in the game against Green Bay during the last minute of play to attempt a place kick from mid-field. The charging Bays blocked the boot.

Bert Bell's Philadelphia Eagles will be at home this Sunday to the Boston Redskins and a capacity throng is forecast as the Quaker City victory over New York last Sunday has kicked up lots of interest in staid old Philly.

The Packers and Bears will resume their gridiron feud at Green Bay this Sunday. Ever since 1921 these clubs have been 'footballing' each other. The teams have 34 games, the Bears winning 16, the Packers 14 and four were tied.

Both eastern games proved to be surprises to the dopsters. Philadelphia turned back the New York Giants 10 to 7, and the Pittsburgh Pirates won over the Boston Redskins 10 to 0.

Joannes "French Breakfast" and Sunset Club, both blends of the finest coffee, are now roasted fresh EVERY DAY. Only enough coffee to fill the grocers' orders is roasted each day. The roasting mill purposely "runs out" of coffee every day, and roasts again tomorrow. The roasting is done in Green Bay in this big thoroughly modern coffee mill, with a reputation for coffee quality for more than 60 years. Learn how good it really can be. Use Joannes French Breakfast and Sunset Club Coffee in the new Flavor-tite bag.
