"The Official Watch for Timing Today's Game Is Longines — The World's Most Honored Watch."

The official football
timing watch for
LIONS vs. NEW YORK GIANTS

Longines
THE WORLD'S MOST HONORED WATCH

For more than three-quarters of a century, Longines Watches have been made to a high standard of timekeeping excellence. A Longines Chronometer, fifty years ago, was the first factory made timepiece to win an observatory accuracy award. Thousands of certificates for accuracy have since been awarded to Longines timepieces by observatories here and abroad. Recently in competition at a great government observatory, a series of Longines *strap watches* won first place for precision. LONGINES-WITTNAUER WATCH CO., INC., New York, Montreal, Geneva.
