December 12, 1954

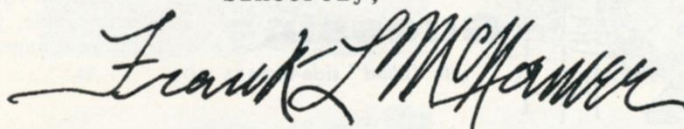

Dear Fan:

As we close out another interesting professional football season in Philadelphia, one that was mixed with some heartaches and its share of great thrills, we extend to you our sincere thanks for your fine patronage throughout the 1954 season.

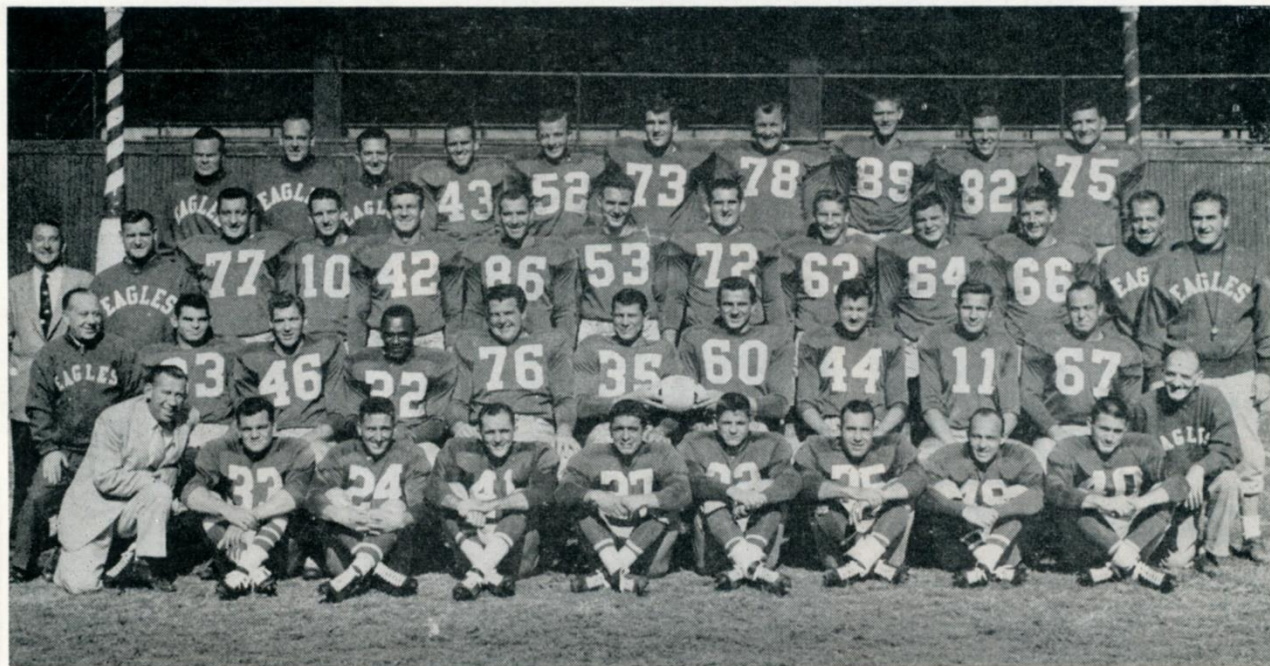

We have the nucleus for even a finer team in 1955 and we are counting on you to be with us as we continue to add the strength necessary for a championship team.

The entire squad, players and coaches and management, join me in wishing you all of the best for the holidays.

Sincerely,

FRANK L. McNAMEE  
President

Now all the awkward, unsightly tuning gadgets on today's TV sets are relics of the past! In their place is a brilliant new triumph of Philco engineering and design... a beautiful Control Center that makes it child's play to tune in the world's finest picture on *all* channels, both UHF and VHF. On your new Philco only 2 controls are visible, yet *all* are right up front—at your finger tips.

Here's the first and only television set to be named the "Miss America"—the Philco 6110. In addition to its exclusive tuning system, it features a breathtaking 335 square inch picture, UHF-VHF Built-In Aerial, and new Phonorama Acoustic Lens that floods the room with FM sound in full dimension. Available in Mahogany finish cabinet, as shown, or in blond Mahogany finish—the Philco 6110-L.
